8) I will I have overqualified this job it's beneficial to both. First to my experience and skill to benefit your company and I have not taken long time to adjust your company and I you not learn to your work to me.

46) I have 45 ~~000~~ hours work in week it to Monday to Friday and day to 9 hours work in your company.

9) I am see to my self in five year I have work to employ and experience than my goal is I have work to team leader to how work employ and than 5 year taken experience after I have open to my own company.

50) This time I am not start to own business because this time I am only one option it is it because family situation.

- 10) My ideal company like a week in two day weekend holiday month in activity, same in one time and year to company a trip to employee this is my ideal company. This company location to near my resident and this job like new project that's type I have dream company.
- 51) This time my goals to I have experience to employee how to work, handle pressure, new skill etc. Then next I have goal to team leader position in my company.
- 3) my greatest weakness it's hard to say no for any kind of work.
- 9) I am improved to my career progress so I have follow cyssbe tech Youtube Channel follow. and I have active in social media to know any type of news, and new skill

6) ~~at~~ silent treatment is they ignore to employ, they not to new project derive employ and they not to invite any workshop then employee manually fired. they have not give to registration employe they try employ themselves to given registration.

41) I have work any longtime of company so yes I have hurry switching to company, but my company fulfill to my requirement and some requirement not full fill so I let go that requirement and I am work to my old company.
